# *Dancing for Jay Weppler*

Please join Doreen Beatrice and Mary Ramirez Cook as we come together as a dance community/family and show our love and support for one of our very own, Jay Weppler. Jay has quite a road ahead of him recovery from double pneumonia which landed him in the ICU on a ventilator and induced coma. With Katie by his side, and through prayer and miracle, Jay is now recovering at home.

Doreen and Mary want to help Jay focus on healing and try to take some of the incredible financial burden away.

\$20.00 minimum donation at the door. Cash or checks payable to Jay Weppler. 100% will go directly to Jay. We are asking for everyone to bring a dish to share and enjoy an evening of dancing.
